

Watercolor Society of Alabama

Dear WSA Member,

This year's 2020 National Annual Exhibition entry period is well underway. Entries are being received and selections by Chris Krupinski will be announced soon. This is WSA's 79th year to provide a major National Water-media Exhibition for artist members and the public throughout the US. We want to celebrate this monumental event by providing significant monetary awards to the award-winning artists.

On behalf of WSA, I would like to share with you information about the awards donation program. In 2019, WSA was able to provide four Signature Members Awards and two Juried Members Awards at the 78th National Exhibition held at the Alabama Center for the Arts in Decatur, AL. These were made possible through the Signature and Juried members award program donations.

*The Signature Members Award will be given to a WSA member who has earned Signature status. **Only Signature members selected for the 79th Annual National Exhibition who have donated to this cause will be eligible to win this award.** The Juried Members Award will be given to a WSA member who has earned Juried membership status. **Only Juried members selected for the 79th Annual National Exhibition who have donated to this cause will be eligible to win this award.***

We are asking our Signature members and our Juried members to help support these awards. Thank you to those who have already contributed to the 2020 awards; your participation is greatly appreciated. Donations, whatever you feel comfortable donating, will be designated towards the award(s) you select. This is a request for your support to these awards but it is not mandatory. We

hope you will consider a donation. The more donations we receive, the more awards we can present to YOU, our members.

You may make a donation online or by mail. Go to watercolorsocietyofal.org (Make a Donation) and you will find Signature and Juried Member Awards and Other Donations. To donate online, fill out the online donation form and pay through PayPal (credit, debit card, or personal PayPal account). To donate by mail, print the Donation Form, complete and mail with your check made to WSA, to the address on the form.

Please help make these special awards a reality! Your donation is tax deductible and you will receive an acknowledgment by email. Donations are accepted from all members of WSA, non-members, and businesses. Please do your part to support the arts by giving back to the art community through WSA exhibitions.

Sincere Regards,

Deborah Guy

WSA Donations/Awards Director
